The all important fine print on Rehab Clinical Pilates price options.

- To claim on Private Health Insurance you may choose to pay the casual rate at each group and make use of HICAPS claiming. The group code is 560.
- You may also request a receipt to claim on private health insurance any of the other payment options.
- Price per class quoted against the pricing options of casual class, 5 card and 10 card options are accurate. Price per class quoted against unlimited class option is based on the assumption that 10 groups are attended during the month. You may attend as many classes as you like in 1 month.
- The 5 Card Pass is alternatively also valid for 10 Tone Clinical Pilates classes. And the 10 Card Pass is alternatively also valid for 20 Tone Clinical Pilates classes. This is an excellent option for people who need to change from one type of exercise group to another. For example you may have done 4 Tone Clinical Pilates classes when Rehab Clinical Pilates is determined by your physiotherapist to be more appropriate. The 6 Tone Clinical Pilates classes you have remaining are alternatively valid for 3 Rehab Clinical Pilates groups.
- 24 hours notice is required to cancel a consultation without payment. Cancellation must be made by phone. No shows or late cancellations for consultations will incur a \$50 fee. Please let us know if you have unexpected extenuating circumstances.
- 24 hours notice is required to cancel a group without payment. Cancellation must be made by phone. No shows or late cancellations will incur a \$30 fee irrespective of the chosen payment method for classes. Please let us know if you have unexpected extenuating circumstances.
- The cancellation/no show fees also applies to clients who have clinical pilates classes funded through TAC, Workcover, DVA or any other third party. Please let us know if you have unexpected extenuating circumstances.
- Suspensions, cancellations and refunds:
 - Must be requested in writing.
 - Are granted at the discretion of Through Life Physiotherapy management.
 - Are available if the client unexpectedly moves out of the area (more than 40km from Warragul)
 - Are available if the client is injured or has a medical condition where exercise in all forms offered by Through Life Physiotherapy is determined to be unsafe or detrimental.
 - Doctors certificates may be submitted, but the final decision will be made by a Through Life Physiotherapy Physiotherapist as we are experts in exercise and health conditions.
