

## **Key Selection Criteria – Graduate Physiotherapist**

### **Through Life Physiotherapy – Warragul, VIC**

This position is specifically designed for new graduate physiotherapists, with the expected level of experience being student placements. Applicants are required to address each of the following criteria in their application.

#### **Clinical Interests and Experience**

- Student placement experience or strong interest in developing skills in one or more of the following areas (please specify in your application):
  - Paediatric Physiotherapy
  - Neurological Rehabilitation
  - Gender Health / Continence / Pelvic Health / Breast Health
  - Musculoskeletal Physiotherapy
  - Vestibular Rehabilitation
- Demonstrated strong interest in Clinical Pilates or similar active rehabilitation methods, as evidenced by:
  - Completion of relevant professional development, or
  - Experience teaching Clinical Pilates or similar classes, or
  - Enrolment in upcoming relevant training and a clear intent to develop Pilates/exercise leadership skills.
- Description of any other physiotherapy skills or experiences that would enhance Through Life Physiotherapy's services and align with our values and community focus.

#### **Philosophy and Practice Approach**

- A treatment philosophy consistent with Through Life Physiotherapy's values of Caring, Empowering, and Achieving.
- Passion for sharing knowledge with colleagues and a commitment to ongoing learning.
- Commitment to applying evidence-based practice in clinical decision-making wherever possible.

### **Professional and Personal Attributes**

- Ability to maintain accurate and timely documentation and clinical records.
- Strong attention to detail, time management, and prioritisation skills.
- High level of motivation, empathy, and a client-centred approach to care.
- Demonstrated ability to:
  - Understand and support the goals of clients and their families, and
  - Think creatively to deliver individualised, goal-focused treatment strategies.
- Strong communication skills, including:
  - The ability to work with groups, and
  - Effective interaction with clients who may have cognitive, behavioural, or communication challenges.
- Professional personal presentation and appropriate dress standards for therapy settings.

### **Essential Requirements**

- AHPRA registration by January 2026.
- Current Victorian Driver's Licence and access to own vehicle.
- Current Victorian Police Check.
- Current Working with Children Check.
- Bachelor of Physiotherapy or higher qualification.
